Jenny is an arborist and forester with over 30 years of experience in both the public and private sectors. She has first-hand experience developing community forest master plans and is nationally known for her expertise in tree protection ordinances, performing operations reviews, planning and managing tree preservation projects, and conducting tree risk assessments and tree value appraisals.

Just a few of Jenny's project leads:

- Pittsburgh Operations Review and Ordinance
- Post Hurricane Tree Appraisals - Colonial Williamsburg, Captiva Island, Miami, FL, and coastal New Jersey
- U.S. Capitol Grounds Tree Risk Assessment (TRAQ Level 3)
- Urban Tree Canopy Analysis and Public Outreach - Lexington, KY
- Evaluating Vegetation Management Practices for Woody and Herbaceous Vegetation - Ohio DOT (Co-Principal Investigator)
- Urban Forest Emergency Response and Recovery Plan - Cincinnati, OH
